Dear parents/guardians

The youth group has been up and running for past three weeks and we have been lucky with the weather. All the children who attend should have brought a membership form for you to sign...please contact me if you haven't got one. It is very important that any child who joins group gets parents consent.

One area of concern we do have is that when we finish group at 8pm (will be 8.30 after bank holiday) a lot of the children stay behind on the recreation park. They always say "our parents/ guardians know "**It is important that you are aware that after 8.30 there are no youth group leaders on the park.**

Please contact me with any suggestions or concerns.

Brigid Malone

Youth group leader
